KATHERINE ,JONATHAN & HELEN: GETTING THINGS DONE

RESIDENTS GIVE THUMBS DOWN TO BUS GATE

More research needed

The Labour lead council idea of putting in a Bus gate is **not** going down well. Katherine Barbour says it could be made to work, but only if the right infrastructure is put in place.

Both Katherine Barbour and Helen Makrakis attended the recent Portswood Broadway scrutiny committee at the council. In summary, some key recommendations were:-

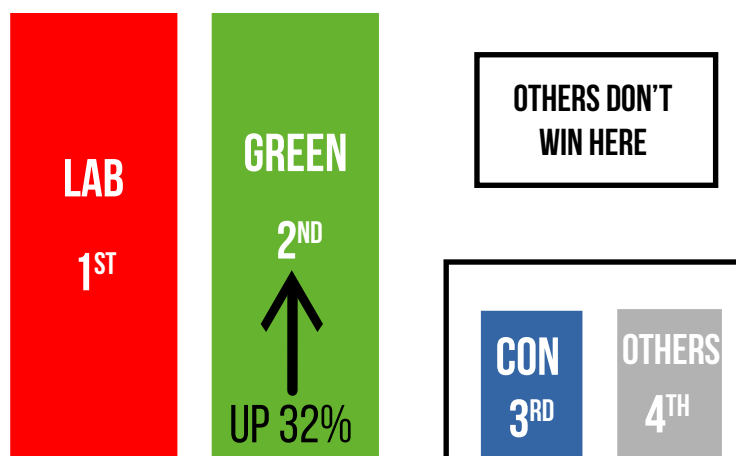

- # Wider consultation to other parts of the city
- # More consultation with traders
- # Hearing the voice of younger people
- # Better understanding of likely change in traffic flows
