

WORKING HARD ALL YEAR ROUND

Enormous lorries ruin residential streets

Kent Road – Stinks and lorries!

Smells from the sewage farm continue to be a big pong all around St Denys and Portswood. Southern Water say it will get better.... But locals are asking WHEN....

Katherine has been out talking to residents in **Priory Road and Kent Road** to ask how things are now – still very smelly and lorries along the road all day starting at 6am. The campaign continues. If you want to get involved, please email kentroadhgv@gmail.com

Dementia – local action group doing more to help

Katherine started a **dementia action group in Portswood Area**. It now holds monthly meals for people living with dementia and their carers, holds picnics on the common, supports a memory café at Highfield Church once a month and shows films every two months in conjunction with Highfield Church.

Katherine says, “*The statutory services are letting us down, causing us to have to set up services at a local level. What about people across the City?*”
